The award-winning Jenny Bede and Brendan Murphy are joining forces and bringing their debut hour to La Favorita Freestival at Edinburgh Fringe.

Bren & Jenny: Hello! is a two-hander comedy taking you on a journey through the trials and tribulations of a daytime television chat show, comprising of stand-up comedy from the studio's warm up act, music from exclusive guest acts and an exciting bill of characters waiting to get on air.

With the long running *Hello! Show* facing the chop after years of falling ratings, dynamic presenting duo, Bren & Jenny, have been wheeled in as a last ditch attempt to save the day. Murphy & Bede take on the roles of not just the hosts, but the entire staff (20+ characters) in this fast paced and adventurous debut.

Warning may contain: croissants, robots, bears and Ellie Goulding
